

Corporate Partner Discount Lift Ticket Program

What is it?

Our Corporate Partner Discount Lift Ticket Program is an exclusive program available to employees through qualified workplaces. As valued community partners who contribute to the success of Gunstock, we are pleased to offer discounted lift tickets to your company.

Discounted lift tickets

- Choose from all-day or night lift tickets.
- 25% Discount Monday through Friday, non-holiday or vacation periods.
- 15% Discount Friday nights, Sundays, Holidays, and vacation periods.
- Excludes Saturdays.

How do I get my Lift Tickets?

All you have to do is connect with your program administrator and get your codes! Go online to Gunstock's e-store, select your lift tickets, and enter the voucher codes to apply the discount. All lift tickets are issued directly to your RFID card. These codes are ONLY available for online purchase and MUST be obtained from your employer.

All lift tickets must be purchased online in advance.

Voucher codes are single use; 1 code per person, per ticket. Make sure you request the correct number of codes needed for your visit. The convenience of the Gunstock RFID card is that once you have a card, you can skip the ticket line and go straight from your car to the lifts. Lift tickets (RFID cards) are available for pick up at the Ticket Office, Ticket Booth or at the Ticket Kiosk on the day of your visit.

See you on the Slopes!!
